 18 **DECLARATION OF G. M. ROJAS-**
 19 **WIEDERAENDERS**
 20 **[NO HEARING SET]**

21 **I, GUADALUPE M. ROJAS-WIEDERAENDERS, declare as follows:**

22 1. I am over the age of eighteen (18) and a paralegal with the law firm of
 23 Robbins & Keehn, a Professional Corporation. I have first-hand knowledge of the
 24 following facts and if called upon as a witness could, and would testify as follows.

25 2. I am the Paralegal that prepared the "bare-bones" petition for the above-
 26 entitled case. I used the "Bankruptcy 2000" software to prepare the petition. This
 27 program has been recently put into service at the firm in order to utilize the Court's
 28 electronic filing capabilities. The program is set up so that information is entered
 concerning "Assets" and "Liabilities" and then generates the petition with the appropriate
 boxes checked. Since I only entered creditor information (since it was a "bare-bones"
 petition) and no asset information, the program generated a petition with the amount of
 assets ranging from \$0 to \$50,000.

1 3. I am not aware of if or how the program may be manipulated to generate a
2 petition with assets if none have been entered. However I will investigate that question
3 with the technical support service personnel available through the software publication.

4 I declare under penalty of perjury that the foregoing is true and correct to the best
5 of my information and belief and that this declaration is executed this 3rd day of
6 February 1999, at San Diego, California.
